COMMENCEMENT SPEAKER & HONORARY DEGREE RECIPIENT

DeAnna Minus-Vincent

Drawing from a broad range of lived and learned experiences, DeAnna Minus-Vincent has tackled the toughest issues plaguing our country today—equity, poverty, housing, health, and education, just to name a few. Minus-Vincent has created programs that move individuals along their pathway, but believes that the most sustainable change happens when we work across sectors to re-engineer fractured systems; in so doing we can exponentially impact the lives of many... in so doing we can create change.

Minus-Vincent is noted for not just programmatic and policy prowess, but for scaling organizations—she has transformed entities and dramatically increased revenue, service regions, as well as product mix. Minus-Vincent considers the work she does with organizations a metaphor to the work that she hopes to do in life; she wants to leave an imprint and ensure every place she exits is better than when she entered.

DeAnna Minus-Vincent currently serves as the Executive Vice President, Chief Social Justice & Accountability Officer, RWJBarnabas Health. In this role, Minus-Vincent works across the system, with internal and external stakeholders to co-design strategies that improve health outcomes, promote health equity and eliminate health disparities. Specifically, her portfolio includes the system’s housing and community development initiatives; she seeks to fully integrate social factor into the clinical setting through the development and implementation of a system-wide universal social determinants of health (SDOH) screening process; identifies ways to use data and technology to track progress and enhance health outcomes; and she serves as the departmental liaison to the departments of communications and development.

Before coming to RWJBarnabas Health, Minus-Vincent served for more than seven years as the Chief Engagement Officer at Benefits Data Trust (BDT), a national social change organization, where she facilitated cross-sector partnerships, diversified the organization’s revenue streams and oversaw the organization’s strategic positioning. Additionally, she has served as the Assistant Commissioner for the New Jersey Department of Community Affairs; the Director, Office of Institutional Advancement, at the Stuart Country Day School in Princeton; and the Director of Planning and Development for the Central Jersey Family Health Consortium in North Brunswick.

Minus-Vincent received a Master of Public Administration from Rutgers University and a Bachelor of Arts in Sociology from Morgan State University.

Born and raised in Trenton, Minus-Vincent is a native New Jerseyan and lives in Lumberton with her husband Daryl and daughter, Darynn.
