

Preparing to Apply to the MLT Clinical Program

- If you are not a current RVCC student: Apply to RVCC [here](#). You will need a G-Number (Student ID Number) before you proceed.

- When you apply, select the **Health Science, Pre-MLT** degree program as your major. Current RVCC students can find instructions on changing their major to Health Science, Pre-MLT by clicking on the 'Change of Major' tile in the Lion's Den.

- Complete the following pre-requisite courses with a minimum grade of 'C'. Science and Math courses (BIOL, CHEM, MATH) must be taken no more than ten years prior to applying for the MLT Clinical Program. A cumulative GPA of 2.5 is required for acceptance into the Clinical MLT Program.
 - BIOL 111 Principles of Biology
 - BIOL 124 Human Anatomy & Physiology I
 - BIOL 125 Human Anatomy & Physiology II
 - CHEM 102 Introduction to Chemistry
 - ENGL 111 English Composition I
 - ENGL 112 English Composition II
 - PHIL 114 Ethics
 - MLTC 100 Introduction to Medical Laboratory Technology
 - Mathematics (MATH 110 Statistics I is recommended.)

- Ensure that your high school transcripts or proof of high school completion are on file at RVCC.

- If relevant, ensure that all courses taken at another college or university have been evaluated for transfer to RVCC.

- Take the TEAS exam. Visit the [ATI TEAS site](#) for study materials and information about test content, testing sites, registration, and testing fees.

- Submit an application to the MLT Clinical Program. Applications are available under the Admissions and Outcomes tab on the [MLT Program website](#) and are **due no later than May 15th**. Upon acceptance into the MLT Clinical Program, students will be provided with information about health and security requirements that must be completed prior to the start of classes in early July. Visit the program website for a list of the current health and safety requirements. **Questions? Email mlt@raritanval.edu.**
