## **Student Salon Guidelines**

If you are going to arrive later than five minutes past your appointment time, please give us a courtesy call so we can accommodate your appointment accordingly. If you are more than fifteen minutes late for your appointment your services are subject to change and/or be canceled and rescheduled.

Students do not take request. We give every student an equal opportunity to take all clients and services.

Please remember students are in the learning phase of their licensing journey. They may not meet the expectations one would have of a practicing operator. They are gaining confidence and practicing techniques in the student salon/spa and pricing does reflect that. Feedback is welcomed but must be kind or to an instructor.
