How to get your form I - 20 Certificate of Eligibility for F - 1 Student Status

The following information carefully explains how to get your Raritan Valley Community College Form I - 20. Please read it completely.

NOW THAT YOU ARE PLANNING TO BE A STUDENT... THERE ARE TWO THINGS YOU CANNOT DO!

1. DO NOT ENTER THE U.S. WITH A B-1, B-2, OP. B-1/2 VISA UNLESS IT IS MARKED "PROSPECTIVE STUDENT."
If you use a B visa to enter the U.S. you could be guilty of "fraudulent entry" and refused permission to stay longer than six months or to extend or change your status. Do not listen to people who say it is easy to enter the country as a visitor and change your status. It is not true!

IF YOU DO NOT THINK THERE IS ENOUGH TIME TO GET YOUR FORM I-20

In some countries you can ask the visa officer for a B-2 visa with the words "Prospective student" noted on it or have the words added to your B visa if you already have one. The officer will need to see that you are qualified for a Form I-20 but cannot get it in time. You will need to prepare evidence of your financial responsibility and ask us for a letter to take with you.

2. DO NOT ENTER THE U.S. WITHOUT A VISA (Unless you are Canadian)
If you are from a country from which you can enter the U.S. as a visitor by showing a round trip airline ticket, do not do this. If you enter without a visa, you will be permitted to stay for only 90 days. You will not be given more time or allowed to change to student status.

WHAT IS A FORM I-20 and WHY DO YOU NEED ONE?

A Form I-20 is a government form on which RARITAN VALLEY COMMUNITY COLLEGE certifies to the U.S. Government that you are eligible for F-1 Student Status. It certifies that you:

1. Are or expect to be a "bona fide" student.
2. Meet our admissions requirements.
3. Will pursue a full course of study.
4. Proved that you have enough money to study and live in the U.S. without working illegally or suffering from poverty.

You need a Form I-20 to obtain an F-1 student visa or status, or to keep lawful F-1 status when transferring or changing schools within the U.S. We will send you our I-20 before if you tell us that you are traveling outside the U.S. before classes begin.

DOES EVERYBODY NEED A FORM I-20?

NO, some international students do not need I-20's. If you are maintaining another non-immigrant status in the U.S., you do not have to have an I-20 and may attend school full or part-time. Dependent children in E, F, H, I, J, L, M, N, O, P, R, or S status need to change status after their 21st birthday or if they marry. If you have no legal status, you may attend school but you are not eligible to change status and do not need an I-20.

GETTING YOUR FORM I-20

The information below explains the rules for issuance of your Form I-20 by Raritan Valley Community College. Please read and follow them VERY carefully. You cannot complete this process without following them step-by-step.

Sometimes, we may have to ask you to give us more evidence of your financial ability, perhaps more than once. The U.S. government requires that we be absolutely sure, to the best of our ability, that you will have enough financial support to cover the full costs of your stay in the USA. Too little money causes pain and distress for students. We insist that students and their families look closely at the costs of living and studying in the U.S. and make careful plans to be sure your needs will be met.

THESE ARE THE RULES TO FOLLOW

1. You must be a "bona fide" student intending to pursue a full course of study in the program to which you have been admitted. We recommend that you start preparing your financial documents as soon as possible. Your form i-20 can only be issued after you have been admitted to RVCC.
2. Carefully review Raritan Valley Community College's "estimated annual financial requirements for international students" and figure out your annual costs in the workbook.
 - **These requirements are not negotiable.** They represent a modest average budget, which does not include luxuries of any kind. We strongly recommend that you budget at least 10% more if possible.
 - **Expect annual increases** in tuition and living costs of about 7%.
3. U. S. Law requires that you prove that you can support your estimated annual costs for every year of your program of study. (estimation of three years for an associate's degree) you must give us documents that will convince the government that you have:
 - Cash to cover your first year in the United States
 - Sufficient and dependable financial resources to cover every additional year
4. Do not expect that you will be able to work in the U.S. to help meet your annual costs. Off-campus employment is strictly controlled by USCIS. Opportunities on campus are very limited.

5. All documents you give to us must be less than **two** months old and in **English**. (The office cannot review documents that are not in English) Send us photocopies or scanned documents, not originals. **You may need the originals of all the documents you have sent us to give to the American embassy when we send you your I-20.**
6. You can support yourself with your own personal funds, which come only from your own income or resources. Unless you have enough cash to support yourself for your entire program of study or can prove other sources of personal income, you will need a sponsor with an income sufficient to support you. Prove your personal funds with the following documents:
 - **Bank statements** in your name only, which states the date the account was opened current balance in US. dollars, average deposits and average balances. We cannot accept statements that do not specify balances unless it is stated to be a minimum of six figures in US dollars. If your statement shows that your funds are "fixed," meaning that they do not produce substantial income, your balance will be divided by the number of years in your program of study to determine the amount you will have available to you for each year of study.
 - **Employment letter** certifying your salary - if you are on authorized employment or continuing to be paid by your home country employer.
 - **Statement of liquid investments**
7. **YOU MAY SUPPORT YOURSELF WITH FUNDS FROM OTHER SPONSORS** such as parents, relatives and organizations. You may have as many sponsors as you need. It is highly recommended that at least part of your financial support come from your home country for purposes of visa issuance. Sponsors may provide you with support in the form of cash and/or room and board. Free room and board is when you live with someone and don't have to pay or contribute for your room or food or utility bills in the home.
8. A sponsor should promise only as much money as he or she is able to give you. Some sponsors believe that the more money they promise to give the easier it will be to get your I-20. The most common reason for rejection of financial documents is that we do not believe the sponsor can afford to give as much as promised. A sponsor should promise only what he or she intends to give and only as much as can be afforded.
9. Each sponsor providing cash support must give us all the following documents to prove financial responsibility. If all these documents are not received, your sponsor's support will not be considered.
10. **Affidavit of annual financial support** this form may be photocopied for each sponsor. All questions must be answered. Affidavits must be **signed by the sponsor**.
 - **Proof of income**
 - a. Individual sponsor: this must be on the employer's letterhead, on income tax returns or receipts, or estimated by a bank or private accountant when the sponsor is a self-employed business person or retired. The income of a company is not the income of the owner of the business and will not be accepted as proof of income. You must provide an official statement of the salary paid to the owner/sponsor. **If self employed: Income estimate by a bank or private accountant or attorney.**

- b. **Company Sponsor:** Submit the most recent "Profit and Loss Statement" for the company.
- o **BANK STATEMENT** in the name of the sponsor only, which states the date the account was opened, current balance in U.S. dollars, average deposits and average balances. We cannot accept statements that do not specify balances unless it is stated to be a minimum of six figures in U.S. dollars.

11. A SPONSOR PROVIDING FREE ROOM AND BOARD (free room and board is when you live with someone who gives you your room and food for no payment) **MUST PROVIDE ALL OF THE FOLLOWING, EVIDENCE OF FINANCIAL ABILITY:**

- o **AFFIDAVIT OF FREE ROOM AND BOARD** fully completed and signed.
- o **PHOTOCOPY OF LEASE DEED, DEED, RENT RECEIPTS, MORTGAGE STATEMENT** in sponsor's name.
- o **PROOF OF INCOME** This must be on the employer's letterhead, on income tax returns or receipts, or estimated by a bank or private accountant when the sponsor is a self employed, business person or retired.

If you are presently in the U S., you must be living with the sponsor at the time of filing this application for this to be counted towards your means of support.
