

**PROGRAM-TO-PROGRAM AGREEMENT
BETWEEN
RARITAN VALLEY COMMUNITY COLLEGE DEGREE PROGRAMS
AND
MUHLENBERG COLLEGE SCHOOL OF CONTINUING STUDIES
ACCELERATED DEGREE PROGRAM**

Preface

Raritan Valley Community College (RVCC) and Muhlenberg College School of Continuing Studies (hereafter referred to simply as SCS) enter into these Program-to-Program agreements for RVCC students planning to transfer to the SCS's Accelerated Degree Programs. Interested candidates for transfer from RVCC to the SCS Accelerated Degree Program must be a graduate of RVCC with an Associate in Arts (A.A.) Degree, Associate in Science (A.S.) Degree or Associate in Applied Science (A.A.S.) Degree in a major aligned with one of the SCS's Accelerated Degree Programs and complete a "Program-to-Program Transfer Intent" form to formally express interest in entering one of the cooperative Accelerated Degree Programs.

Qualified applicants should:

- ideally have earned a 2.75 GPA or above at DCCC, although applications will be considered on a case-by-case basis.
- ideally have at least five years of relevant work experience.
- possess strong oral and written communication skills.
- have the necessary desire, time and motivation to complete the degree program.
- be familiar with current business software (Microsoft Word, Excel, and PowerPoint).

Attached to this document are the specific pairings of RVCC and the SCS degree programs/concentrations that will be covered under this agreement (additional pairings may be identified in the future and addressed via an addendum to this agreement).

A RVCC student admitted with an earned associate's degree in one of the designated curriculums will be able to complete a bachelor's degree in a parallel program at the SCS within 22 months.

In addition, the SCS agrees to accept the general education embedded in the RVCC Associate in Arts, Associate in Science and Associate in Applied Science degrees as meeting all the requirements of its undergraduate general education requirements, provided that students choose their electives in accordance with the courses specified on the Program-to-Program Transfer Agreement.

This Program-to-Program transfer agreement becomes effective on the date each party signs below.

To facilitate the transfer of RVCC graduates to the SCS in accordance with the foregoing guarantee, the parties agree to the following:

Obligations of the SCS

1. Attend regularly scheduled Transfer Days and Evening Programs at RVCC.
2. The SCS will provide RVCC with "Program-to-Program Transfer Intent" forms and fact sheets to distribute upon request.
3. Invite RVCC students who have completed a "Program-to-Program Transfer Intent" form to an informational/advising meeting(s) with the SCS faculty and staff in order to facilitate smooth curricular and co-curricular integration to the SCS. Students should confirm their intention to matriculate with the SCS by May 1 for October start dates, September 1 for February start dates, and by February 1 for June start dates. Students should meet with a SCS academic advisor to discuss all SCS application requirements. Students declaring their interest after the dates above will be considered for admission on a space-available basis.

4. Send, within 30 days of completion of the Accelerated Degree Program application process, a SCS letter of admission to all RVCC students who meet the conditions set forth in the Preface.
5. RVCC students who complete a "Program-to-Program Transfer Intent" form will be governed by the SCS degree requirements in effect at the time of signing the "Program-to-Program Transfer Intent" form.
6. Waive the application fee for students who apply to the SCS pursuant to this Agreement.
7. Support and accept a Program-to-Program transfer agreement that allows the RVCC general education core for the A.A., A.A.S. or A.S. degree to meet the SCS core requirements.
8. All courses for which a C- or above was earned in a RVCC degree program will be eligible for transfer to the SCS.
9. RVCC graduates entering the SCS under the terms of this agreement will go through the SCS's transfer process and therefore must meet all applicable SCS requirements and deadlines pertaining to orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, and any revisions thereof that apply to all SCS students.
10. Ensure that RVCC Program-to-Program transfer students who matriculate at the SCS have all of the rights and privileges of other SCS students.
11. Students who enroll as a full time Accelerated Degree Program student at the SCS will be eligible for the following scholarships:
 - Students who are admitted under a Program-to-Program agreement covered by this document, transfer an associate degree from RVCC, maintain good academic standing and adhere to all program requirements as outlined in the SCS's Accelerated Degree Student Requirements contract--see Appendix A--will be eligible to receive \$1,500 per academic year.
 - Students who are admitted to the SCS under this agreement as current members of Phi Theta Kappa or Phi Beta Kappa at RVCC at their time of transfer (student will provide documentation of membership) will be eligible to receive an additional \$500 per academic year. The eligible student must maintain a cumulative GPA of at least 3.5 in the Accelerated Program to receive the scholarship in subsequent year of enrollment.

Students may also be eligible for need-based financial aid and other types of financial assistance. Students will be provided with the SCS financial aid information and receive full consideration for SCS financial aid, in addition to the scholarships listed above, upon matriculation at the SCS.

Obligations of Raritan Valley Community College:

Publicize this Agreement to prospective and current RVCC students in its promotional literature and make arrangements for the SCS recruiters and advisors to visit RVCC and meet with prospective and current Dual Admissions students.

Joint Obligations:

1. Consult with each other through appropriate channels prior to implementing major changes in policy or curricula that directly affect students transferring under the terms of this Agreement and keep each other informed of any other changes of policy or curricula that affect those students. Both the SCS and RVCC will review this Agreement annually and make any changes upon mutual agreement, as needed. Such changes will become effective when both RVCC and the SCS sign the revised document.
2. Collaborate in providing students with information and academic advising about this agreement, the SCS

academic requirements, and the process of transferring to the SCS.

3. RVCC and the SCS jointly agree to develop and implement advertising and promotional efforts to communicate the benefits of these Program-to-Program transfer agreements.
4. Each institution will designate a representative or representatives who will coordinate the Program-to-Program transfer agreements between the two institutions.
5. Exchange data and documents annually that will contribute to the maintenance and improvement of this Program-to-Program arrangement, enhance the transfer process, and promote effective cooperation between institutions. These will consist of data about individual transfer students, including admissions information and grades, retention information, and reports on the results of program reviews, assessments of student learning, and decisions of curricular and other committees. The institution(s) will exchange data after obtaining appropriate permission from the students as indicated on the Program-to-Program transfer form.
6. Facilitate and support consultation and collaboration between their faculties related to this agreement, general education, degree requirements, and other academic matters, including the development of other pairings of academically compatible programs to be added to this agreement. Future pairings will be addressed in this agreement via an addendum, subject to approval by both schools.
7. To provide direct links between the SCS and RVCC websites.

Revision, Renewal and Termination of this Agreement

The SCS administration and the appropriate offices at RVCC are responsible for identifying and communicating to each other changes in the policies or requirements of their respective institutions that affect this Agreement.

This Agreement will be in effect as of the date of its signing. It will be reviewed annually by the appropriate parties at each institution and will be renewed automatically until superseded by a new Agreement or formally terminated. Either institution may terminate this Agreement at any time by written notice at least one year in advance of the effective date of termination. Should this Agreement be terminated, it is understood that the termination will not apply to students already accepted to the SCS under the terms of this Agreement.

The willingness of both institutions to enter this Agreement in order to facilitate the transfer of students from Raritan Valley Community College into the SCS, and to expand their opportunities for academic success there, is indicated by the following signatures.

The undersigned representatives of the parties, Raritan Valley Community College and the SCS of Muhlenberg College, have executed this Agreement on the dates indicated:

Program to Program TRANSFER PROGRAM

Raritan Valley Community College students who wish to participate in the Program to Program Transfer program should:

- Meet with a School of Continuing Studies advisor as early as possible in their RVCC program. Please contact the School of Continuing Studies Division at (484) 664-3300 or continuingstudies@muhlenberg.edu to schedule an advising appointment.
- Complete a Program to Program Transfer Intent form to confirm their intention to matriculate at the School of Continuing Studies. Forms must be submitted to the School of Continuing Studies according to the following schedule:

By May 1 for October start dates

By September 1 for February start dates

By February 1 for June start dates

RVCC students who complete a Program to Program Transfer Intent form will be governed by the School of Continuing Studies degree requirements in effect at the time of signing the form.

Applicable courses for which a C- or better was earned in an RVCC degree program will be eligible for transfer to the School of Continuing Studies.

Students who are admitted to the School of Continuing Studies under a Program to Program agreement, transfer an associate degree from RVCC, maintain good academic standing and adhere to all School of Continuing Studies program requirements will be eligible to receive a \$1500 academic scholarship per year.

Students who are admitted to the School of Continuing Studies under a Program to Program agreement as members of Phi Theta Kappa at RVCC at their time of transfer will be eligible to receive an additional \$500 scholarship per academic year. The eligible student must provide documentation of membership in PTK and must maintain a cumulative GPA of at least 3.5 in the Accelerated Degree Program to receive the scholarship in subsequent years of enrollment.

Students may be eligible for need-based financial aid and other types of financial assistance. Speak with your School of Continuing Studies advisor for more information.
