

A. All collegiate music programs require participation by music students in large ensembles, such as choirs, bands, and orchestras, during each semester of their enrollment. These organizations are made up of both music majors and non-majors, and often, talented musicians from the community.

At the present time, RVCC does not have its own orchestra. Students who play orchestral instruments and wish to have orchestra as their ensemble credit should enquire about performing orchestras in the community. The Central Jersey Symphony Orchestra has an affiliation with RVCC and rehearses on campus, as well as presenting two yearly concerts at the RVCC Theatre. Other approved orchestras, such as the Hunterdon Symphony and the Plainfield Symphony, rehearse and perform off-campus in the community.
