Students who don't meet either the GPA or class rank criteria may be considered if they have a SAT score of 1100 (or higher) or an aggregate ACT score of 26 (or higher) or are highly recommended by their high school counselor. Those selected for admission will become part of a community of highly motivated students who collectively pursue a 2-year curriculum of honors courses. Entrance to these classes requires a 3.5 GPA from either RVCC, the most recent college previously attended, or high school. In addition, an internship makes you a more marketable candidate when you enter the world of work on a full-time permanent basis.

Similar to an internship, a cooperative education experience, commonly known as a “co-op”, provides academic credit for a structured job experience which is supervised by a faculty coordinator.

Participating in either an internship or “co-op” will help students gain a greater degree of confidence about their choice of academic major and when entering professional employment.

Phone: 908-526-1200 ext. 8333

Transfer information and counseling are available for students who are planning to continue their education at another college after RVCC. Information about transfer workshops, college transfer fairs, transfer articulation agreements, dual admission programs, transfer scholarships,
international transfer, and other transfer-related events are posted on the Transfer Services website and on Lion's Den.

This office arranges visits from other colleges who are looking to admit RVCC students. Check the Lion's Den and the Transfer website for Transfer Information Sessions, Instant Decision Days, and Visiting Colleges Information Sessions. Make an appointment with a transfer counselor to discuss your individual transfer concerns.

Transfer Tips:
• Start your transfer planning early. The choice of a college is an important decision. Become aware of transfer application deadlines, admission requirements, prerequisites and other information critical for a successful transfer. Learn about transfer scholarship opportunities.
• Attend a How to Transfer Information Session, offered several times each semester.
• Use njtransfer.org, the statewide transfer database system, each semester before registering for classes. See the courses recommended for particular colleges and academic majors and note the transfer event calendar for open house and other transfer events. Student organizations covering a wide spectrum of interests exist to meet the needs of students. Involvement also gives you the opportunity to build your Student Engagement Transcript (SET).

• **Student Life Activities and Planning Board (SLAP Board):** The SLAP Board is the primary event planning organization at RV. The SLAP works closely with Student Life to plan a variety of events every semester ranging from educational lectures to campus wide picnics. The Program Board is comprised of students who are interested in bringing culture, fun, and excitement to the out of classroom experience. Get involved and make a difference, join the Program Board!

• **Student Government Association:** The Student Government Association (SGA) is the student governing body for all enrolled students. Academic Programs, Policies and Procedures

Degree Programs
The College awards Associate of Arts degrees, Associate of Science degrees, Associate of Fine Arts degrees, Associate of Applied Science degrees and certificates to students who have completed approved programs. The programs are listed in the College catalog and on the website.

Transfer Programs (A.A., A.S., A.F.A.)
In general, transfer programs are designed for students who are planning a career that requires at least four years of college preparation. Upon completion of a transfer associate degree program at RVCC, students are prepared for transfer into the junior year of baccalaureate study at a four-year college.

Career Programs (A.A.S.)
Career programs are designed to prepare students for entry into a career field upon completion of studies. Although the career programs are not designed for transfer to four-year schools, it is possible to do so. The number of credits acceptable for transfer depends on the program taken at the College and the individual four-year college involved.

Workforce and Certificate Programs
The College offers a number of certificate programs that provide specialized training for occupational preparation. Some certificate programs earn college credit and some are designed only for workforce training. Most certificate offerings can be completed by full-time students in one year.

Adding and Dropping Courses
Do not just stop attending your class! It is important to officially withdraw if you are not able to continue the course. Failure to officially withdraw may result in an “F” grade on the permanent record and may have an impact on your financial aid award. Speak with a financial aid officer before dropping if you are a financial aid recipient.

After initial registration is completed, students may add or drop courses using the Lion’s Den during specified periods. Just log in with your college ID and password, and click on the Student Services tab! Students may also add or drop courses by submitting a Registration (Add/Drop) Form(.pdf) to the Student Enrollment Center. Add/Drop transactions will be processed in accordance with the RVCC Semester Refund/Withdrawal Schedule, which can be found on the RVCC Finance Department page. Students who fail to officially withdraw from a class may be subject to the full cost of that class. It is imperative that students verify that they are withdrawn from a class if they do not intend to attend.

Because developmental courses build essential skills for college success, students are not permitted to withdraw from those developmental courses without speaking with an Academic Advisor in Advising and Counseling Services, College Center, C-163. Exceptions may be granted only by consultation with an Academic Advisor or Counselor.
**Advanced Standing**
RVCC will accept up to 45 transfer credits for coursework completed with a grade of C or better at regionally accredited post-secondary institutions toward an associate degree or 75 percent of the required credits for a certificate program. The course requirements of some selective programs may limit the application of transfer credits to degree requirements.

**Break in Enrollment and Catalog Year**
A student who interrupts his/her studies for more than three years must fulfill the requirements in place upon re-enrollment. A student with a break of more than three years may use requirements in place during initial enrollment only if he/she had earned 50 credits prior to the break in enrollment and if the degree is still being offered.

A student whose program has been discontinued will be permitted two years to complete the program; RVCC will not award degrees for programs that have been discontinued for more than two years.

**Changing Majors**
Students who wish to change degree or certificate programs must meet with an Academic or First Year Advisor in the First Year Experience Office (College Center, C-124) or Advising and Counseling Services (College Center, C-165). A student who wishes to enter the Nursing program, or change from non-degree-seeking to degree-seeking must complete an Information Update Form in the Admissions Office (Lower-Library, L-032).

**Credit Limit**
Degree-seeking students may enroll for a maximum of 19 credit hours during the Fall or Spring semesters, 12 credit hours during the Summer Semester and only for one course during the Intersession, unless permission is granted by an Academic Advisor or Counselor. Non-degree students are limited to 9 credits per semester.

**General Education Courses**
All Associate Degree programs include a broad distribution of courses contributing to the student’s general education. In order to choose appropriate general education courses for the degree or certificate program, you can look at the list of General Education Courses on the College website.

**‘G number’ or Student ID Number**
It is important that you learn your college-assigned student identification number, identified in your welcome packet. The nine-digit number begins with a ‘G’ and should be included on all forms and correspondence. This G Number also serves as the username for access to Lion’s Den for online services and transactions. You need your G Number for just about everything you do at RVCC so make sure to memorize it! If you ever have trouble logging in you can visit the Technology Services Helpdesk in person with a photo ID and your G Number to get it resolved.
Registration

Registration for Fall Semester courses generally begins in April. Registration for spring and summer courses generally begins in early November. You are encouraged to meet with an Academic Advisor prior to registration and register early for the best selection of classes.

Three Ways to Register for Classes:

1. **Web:** commons.raritanval.edu/ – If you have Lion’s Den access and no registration holds you can register and add or drop courses online during specified periods.

2. **In-Person:** Complete the registration form, including your G number, and bring it to the Office of Enrollment Services, located on the First Floor of the College Center C-160

3. **Mail:** Office of Enrollment Services, Raritan Valley Community College, P.O. Box 3300, Somerville, NJ 08876. Complete the registration form, including your G number, and mail it with a check or money order. Credit card information must be handled separately.

A student’s registration is not official unless class registrations have been recorded by the College and payment has been accepted. Otherwise, the registration is subject to possible cancellation. Students should refer to the published class schedule to confirm payment due dates. It is ultimately the student’s responsibility to withdraw from their classes. **Students who fail to officially withdraw from a class may be subject to the full cost of that class. It is imperative that students verify that they are withdrawn from a class if they do not intend to attend.**

Registration Holds

You may be restricted from registering online or from registering at all due to a Registration Hold. This may be the result of admission status, academic standing, required developmental studies courses, required admission or financial aid documents, outstanding library books or athletic equipment, an outstanding bill, or other requirement. Check for messages in Lion Mail, view holds through the Lion’s Den Student Services tab, and contact the Originator of the Hold for clarification and assistance.

Transcripts

All official transcripts must be ordered online through Parchment at raritanval.edu/transcript. With Parchment, students can send an electronic transcript which is a certified PDF of an official transcript to any valid email address. Fees for transcripts are as follows: Electronic transcript $10.00, Paper transcript mailed $12.50 and Paper transcript-Pick-up $12.50. Check your Lion’s Den for updates on when transcripts will be available for currently enrolled students at the end of each semester. Students may view and print unofficial transcripts through the Lion’s Den Student Services, under Registration and Records Tools select View Academic Transcripts.

Tuition & Payment

Check the website to make certain you pay your bill on time. Tuition and payment information is available on the College’s website under the Paying for College option. Students are encouraged to become familiar with payment due dates for each semester, as well as the refund period. A copy of your student bill will be emailed to your official college email account. Bills can be paid online through the Lion’s Den, or in person at the Finance office. Taking classes at night after the office is closed? Drop your tuition payment in the drop box located on the outside of the Finance Office.
Classes, Exams & Grades

Class Attendance
Students are expected to attend all classes, laboratories, and clinical sessions for every course in which they are enrolled. To accommodate students’ reasonable, personal situations that might prevent them from attending classes, each student is entitled to excused absences amounting to the equivalent of one week’s class time in a semester. Any absences in excess of this standard can prevent students from achieving the course learning outcomes as evaluated by the instructor.

Early Warning & Midterm Warning
Students who are struggling in one or more of their courses may receive an early warning notice. Students who receive early warnings are strongly encouraged to meet with their instructor to discuss the instructor’s recommendations and additional tips and strategies for improving their academic performance.

At midterm, students in academic difficulty may receive a midterm warning. Students doing unsatisfactory work at this time should consult their instructor to determine ways to improve their academic performance. Academic Advisors are also available to provide support. In cases where additional studying, tutoring, or changes in study habits cannot improve the student’s grade, withdrawal may be recommended to prevent a failure from being recorded.

Final Examinations
Students are not expected to take more than two final examinations on any given day. If a student has more than two final examinations scheduled on a single day, he/she may appeal to have one of the examinations rescheduled. The line of appeal is first to the faculty member(s) and then to the appropriate Divisional Dean. Students are expected to take final examinations when they are scheduled or rescheduled. Missed examinations may be rescheduled at the discretion of the faculty member.

Grade Reports
Students may view final semester or summer session grades by using the Lion’s Den or the RV Mobile App. Grades become viewable as the instructors report them to the Office of Enrollment Services. Approximately two weeks after the end of the semester or summer session, grade point averages are calculated and grade reports are emailed to the Lion Mail address.

Grade & Academic Appeals
Student grievances of an academic nature should initially be discussed between the student and the student’s instructor. Failing a satisfactory resolution of the problem at this level, the student should consult with the appropriate department chairperson. Should the student still feel that a satisfactory resolution has not been achieved, the student may request the appropriate Divisional Dean review the matter. Students wishing to initiate a grade appeal must do so within four weeks of the beginning of the following semester, excluding Summer sessions. Other than in cases of computational or clerical error, grades may only be changed by following the grade appeal procedure.
Grade Appeal Procedure
A student who wishes to appeal a final grade shall proceed as follows:

1. Submit a written request for a grade change along with the rationale for such a request to the faculty member who assigned the grade. The appeal must be filed by the fourth week of the following semester (Summer sessions not included).

2. Within two weeks of filing such a request for a grade change by the student, the faculty member shall respond in writing rendering a decision about the request for change of a grade.

If the student wishes to further challenge the decision of the faculty member as described above, he/she shall follow the following procedure:

1. A petition for a grade change should be filed, in writing, with the appropriate chairperson after conferring with the instructor. The petition shall include a description of the student's rationale for challenging the recorded grade with supportive documentation.

2. The chairperson shall:
   a. Interview the student.
   b. Interview the faculty member who assigned the grade.
   c. Review written material submitted by the student and faculty member. The chairperson shall also consult with senior faculty members familiar with the discipline involved with respect to the graded material under challenge.
   d. The chairperson shall render a written recommendation to the student and faculty member involved within one month from the date the chairperson received the petition.

3. If the grade was not revised through the above process, the student may further appeal to the appropriate Divisional Dean. The Dean will review all materials and determine whether or not a grade change shall be approved, and shall advise the involved student and faculty member in writing of the decision. The decision of the Divisional Dean shall be final.

Repeating a Course
Students may repeat any college-level course once without specific authorization. To repeat a college-level course more than once, a student must have the approval of the Dean of Student Services or their designee. Courses in which students have received grades of W, AU, or P are not included in counting repeated courses.

When a college-level course is repeated, all enrollments in the course are included on the student’s permanent academic record, but only the highest grade earned at RV will be included in the student's grade point average (GPA). Developmental courses (course numbers below 100) are not governed by this policy.

Students receiving financial aid should consult with the Financial Aid office before repeating a course, since some financial aid programs do not pay for repeated courses.

Academic Renewal Program
The Academic Renewal Program is designed for students who previously attended RVCC, compiled an unsuccessful academic record, and subsequently left the College for five or more years. Students may now return to college to pursue a program of study and not have their prior
RVCC coursework included in their overall RVCC grade point average (gpa). To qualify for the Academic Renewal Program, a student must:

- Be matriculated into a degree or certificate program
- Have been away from RVCC for a minimum of five years (60 months)
- Upon returning to RVCC, complete a minimum of twelve credit hours, earning a GPA of 2.4 or better
- Be currently enrolled in classes

Under the Academic Renewal Program all grades earned prior to the five-year period are eliminated from the student’s GPA calculation. Only the GPA is affected by this program. All other previous academic records will remain on the transcript. Grades earned after returning to RV will be included in the new GPA calculations, including the 12 credits required to qualify for this program. All courses taken prior to the five-year absence in which a grade of C or better was earned may be used to meet graduation requirements. *More information about this College Policy is in the College Catalog.

**Academic Standing**

Academic Standing is recorded on the academic transcript at the conclusion of each term. Students whose comprehensive semester grade point average or cumulative college level grade point average falls below 2.00 will receive a Lion's Den e-mail letter indicating their academic standing. Students should check final grades and academic standing on Lion's Den and Lion's Den e-mail each term.

**Grade Point Averages Used to Determine Academic Standing**

**Comprehensive semester grade point average:** The grade point average for the term, including developmental studies, English as a Second Language studies, and all other college-level coursework

**Cumulative grade point average:** The cumulative grade point average for all college-level coursework at Raritan Valley Community College

**Good Standing**

Students must maintain a comprehensive semester grade point average of 2.0 or better and a cumulative college level grade point average of 2.0 or better to be in Good Academic Standing.

**Academic Alert**

Academic Alert is an initial warning to students whose comprehensive semester grade point average or cumulative college level grade point average falls below 2.00 that they are not making satisfactory academic progress and that they may be placed on Academic Probation if their record does not improve.

**Academic Probation**

Students on Academic Alert whose comprehensive semester grade point average or cumulative grade point average is below 2.0 in their next enrollment term are placed on Academic Probation.
Students on Academic Probation whose comprehensive semester grade point average in their next enrollment term is 2.0 or higher, but whose cumulative grade point average remains below 2.0, remain on Academic Probation.

Academic Probation is a serious warning to students that they are not making satisfactory academic progress and that they may be placed on Academic Suspension if their record does not improve. Students on Academic Probation must have the approval of an Academic Advisor or Counselor for subsequent enrollments or enrollment changes while on Academic Probation. Students' enrollment may be restricted to certain courses, or to a limited number of courses, as a condition of Academic Probation status.

**Academic Suspension**

Students on Academic Probation whose comprehensive semester grade point average in their next enrollment term is below 2.0 are placed on Academic Suspension. Students on Academic Suspension are prohibited from enrolling in the next semester. A student may petition for permission to enroll part-time to the Academic Standards Committee or to an Academic Advisor or Counselor authorized by the Academic Standards Committee to hear such petitions. If a student's petition is approved, the student is placed on Suspension Probation.

**Suspension Probation**

Students returning to the College after a period of Academic Suspension or Academic Dismissal, and students who successfully petition to enroll from Academic Suspension are placed on Suspension Probation. Students on Suspension Probation must meet with an Academic Advisor or Counselor before re-enrolling. These students' enrollment may be restricted to certain courses, or to a limited number of courses, as a condition of Suspension Probation status.

**Academic Dismissal**

Students on Suspension Probation whose comprehensive semester grade point average in their next enrollment term is below 2.0 are placed on Academic Dismissal and are prohibited from enrolling for two calendar years. Students are subject to Academic Dismissal each enrollment term the comprehensive semester grade point average is below 2.0, until achieving Good Academic Standing. Academic Dismissal is final and cannot be appealed.

**Re-enrollment Following Academic Dismissal**

A student returning to the College after a period of Academic Dismissal must petition the appropriate Divisional Dean in writing by letter or email. If reinstated, the student will be placed on Suspension Probation.

Rules & Regulations

Alcohol & Illegal Drugs

The use, possession and sale of alcoholic beverages is forbidden. The use, possession, sale or being under the influence of drugs unless prescribed by a doctor is forbidden. Raritan Valley Community College adheres to all local, state and federal laws and statutes pertaining to the possession, use and distribution of alcohol and illegal drugs and expects its students to do the same. If the student is found to be under the influence of drugs or alcohol, the Department of Campus Safety will contact the local police. Persons violating these policies will be subjected to all applicable civil and criminal penalties and the College disciplinary procedure.

New Jersey’s “Opioid Antidote and Overdose Protection Act” (P.L.2013, c.46) is a law that encourages individuals to report a drug overdose/seek medical assistance by granting immunity from arrest and prosecution for use or simple possession to both the caller and the person experiencing an overdose. It also grants immunity to those who administer the overdose antidote, Naloxone to revive a person. Similarly, the “9-1-1 Lifeline Legislation” (N.J. P.L. 2009, c.133) lets underage drinkers report alcohol poisoning without fear of prosecution. These laws are designed to save lives.

Through the office of Advising and Counseling Services, you can receive assistance dealing with substance abuse and referrals for community resources. All contacts are confidential.

Address Required

A student is required to maintain a current address of residence. Please come to the Enrollment Services Office: First Floor, College Center C-160 to complete the Personal Information Change form. If you currently reside outside of Somerset or Hunterdon County, the following documentation is required to report the change:

1. Photo ID – This can be a Photo Driver’s License or a Photo ID issued by the Division of Motor Vehicles, official government agency or accredited educational institution. An identification providing your current address is preferred.

2. Any two of the following valid documents with your current address listed:
   - Photo Driver’s License
   - Current lease or deed
   - Utility bill, bank statement, credit card bill, postmarked correspondence

A service or guide dog trainer, while engaged in the actual training process, shall have the same rights, privileges, and responsibilities with respect to access to public facilities as are applicable to a person with a certified disability. For more information, contact the Office for Students with Disabilities in College Center, C-124.
Appeals of College Policy: Academic Concerns and Complaints

Students with complaints and concerns about the classroom should first attempt to resolve the matter with the instructor. Failing a satisfactory resolution, the student should consult with the appropriate department chairperson. Should the student not be satisfied with the results of that discussion, the student may request that the appropriate Divisional Dean to review the matter. The decision of the Dean is the final appeal.

Appeals of College Policy: Non-Academic

The College establishes policies and procedures for all students. However, there may be times when a situation is unique or different from other students and an exception should be made. This may be particularly true for students with an extended illness or serious family event. If you have a situation you feel warrants an exception, submit a RVCC Tuition/Withdrawal Appeal Form which is available online, or from the Office of Enrollment Services on the first floor of the College Center. This form should be submitted with a letter of explanation and any supporting documentation to the Office of Enrollment Services. A College Appeals Committee meets monthly and will respond to you in writing once the decision is made.

If the appeal relates to a grade, please see the previous academic appeals section of this handbook. There is a separate procedure for grade appeals and academic complaints.

Bullying and Intimidation

Harassment, intimidation, or bullying in gesture; or any written, verbal or electronic communication that is motivated by actual or perceived characteristics such as race, color, religion, gender, sexual orientation or disability is a violation of the Student Code of Conduct and may be a violation of Title VII of the Civil Rights Act of 1964 and/or Title IX of the 1972 Education Amendments. Students should report bullying to the Assistant Dean of Student Services in C-143.

The Family Educational Rights & Privacy Act (FERPA)

The Family Educational Rights and Privacy Act of 1974 protects the privacy of education records, establishes the right of students to inspect and review their education records, and provides guidelines for contesting information in these records that is believed to be inaccurate or misleading.

Students have the right to inspect and review all of their education records maintained by the College. The College is not required to provide copies of records unless it is not reasonably convenient for students to inspect their records.

Students have the right to request that the College correct records believed to be inaccurate or misleading. If the College decides, in response to such a request, not to amend a student’s record, the student has the right to a formal hearing before the Dean of Student Services. After the hearing, if the College maintains its position that the student’s record should not be amended, the student has the right to enter a statement into his/her records commenting on the contested information.

The College will not release any confidential information from a student’s record without the written consent of the student, except for releasing information to:

Student Code of Conduct
One of the core values of Raritan Valley Community College is fostering an environment of mutual respect, responsibility, and collaboration. The Student Code of Conduct (Code) establishes expectations of behavior for all students regardless of enrollment status or campus location. The provisions of the Code govern the actions of all students whether at a College-owned or managed location or at a College-sponsored or supervised function or event. This Code applies to behavior directed toward any member of the College Community as well as a student’s conduct during Academic Placements.

Upon admission to the College, a student incurs the responsibility for becoming familiar with and abiding by, the provisions of the Code. Violations of the Code may result in a student receiving a failing grade on an assignment or in a course, required community service, Disciplinary Warning, Disciplinary Probation, Disciplinary Suspension, Dismissal, or other appropriate penalty.

The following is a portion of the Raritan Valley Community College Code of Student Conduct. The entire document and relevant policies can be found online. If you have questions about the Code of Conduct or Academic Integrity Policy, contact the Dean of Student Affairs in College Center, C-143.

Violations of the Code for Academic Dishonesty, Cheating and Plagiarism
Raritan Valley Community College requires independent, honest work on the part of its students, and students are expected to conduct themselves with scholarly integrity. Each confirmed incident of academic dishonesty, cheating or plagiarism must be reported by the faculty member, in writing, to the appropriate Divisional Dean. Specific examples of academic dishonesty and cheating can be viewed within the student conduct section of the College website.

For classroom violations, the following additional penalties may apply:

1. Academic Dishonesty
   Penalties for confirmed cheating and plagiarism are as follows:
   First Offense: The faculty member will have the authority to issue a failure on the paper, exam, assignment or course on which cheating or plagiarism was established. In general, plagiarism that the faculty member considers to be serious and proven shall result in failure for the course. The faculty member must report the violation in writing to the appropriate Divisional Dean.

   Subsequent Offense(s): As with the first offense, the faculty member will have the authority to issue a failure for the paper, exam, assignment, or course about which cheating or plagiarism was established and must report the violation. Upon confirmation of the student’s subsequent offense by the appropriate Divisional Dean, the student will be subject to suspension or dismissal from the College.
2. Disruptive Behavior in the Classroom
Faculty members have the authority to take actions which may be necessary to maintain order and proper conduct in the classroom. Students whose behavior disrupts the class will be subject to removal and may be charged with a violation of the Code of Student Conduct. Code of Conduct charges will be investigated by the Dean of Student Affairs. If the student behavior presents a concern for immediate safety of the student or members of the community, the student may be suspended until a Disciplinary Review is held.

Sexual Harassment and Discrimination
It is the policy of RVCC to provide an environment that is free from harassment and discrimination. Students are encouraged to report any incidents of discrimination, harassment, sexual violence, and bullying which cause physical or emotional harm; or create a hostile environment which interferes with your education or your rights as a student. This includes any gesture, any written, verbal or physical act, or electronic communication, whether it be a single incident or a series of incidents, which you perceive as motivated by race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability which substantially disrupts or interferes with the operation of the college or the rights of a student. If you believe you are being harassed report the situation immediately. If immediate attention is needed, always contact Campus Safety by picking up a red phone in the halls or calling 908-231-8800.

Title IX of the Educational Amendments of 1972 specifically prohibits discrimination on the basis of sex in education, programs and activities. Discrimination under Title IX includes sexual harassment or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Confidentiality will always be maintained insofar as it does not interfere with the college's legal obligation to investigate allegations of misconduct when brought to the college's attention, and the ability of the college to take corrective action consistent with rights of due process.

All inquiries and complaints should be addressed to Cheryl Wallace, Executive Director of Human Resources, Compliance & Security, 908-526-1200, ext 8260. Personal counselors are available for assistance in the Advising and Counseling Office, College Center C-163.

Sex offenses; violate college regulations and criminal law. Any reported violation will be treated swiftly through established college disciplinary procedures and/or legal avenues. Accused student(s) are presumed to be not responsible for violations. Responsibility must be established by a preponderance of evidence. This standard requires that the Disciplinary Review Board or Conduct Officer must be persuaded that it is more likely than not that the allegations brought against the accused student are true.

Where there is an alleged breach of the Code of Conduct by a student, the Office of the Dean of Student Affairs follows specific procedures to process Student Conduct incidents. Please visit the Student Affairs section of the College website under Student Conduct for additional information. Mid-year changes to the Code of Conduct will be reflected within college’s policy library and online.

**Disciplinary Procedures for Violations of the Code of Conduct**

Accused student(s) are presumed to be not responsible for violations. Responsibility must be established by a preponderance of evidence. This standard requires that the Disciplinary Review Board or Conduct Officer must be persuaded that it is more likely than not that the allegations brought against the accused student are true.

Where there is an alleged breach of the Code of Student Conduct by a student, the following procedures will be followed as part of the formal disciplinary process. Mid-year changes to the Code of Conduct will be reflected within the Student Conduct RVCC website.

1. In all cases, the dean or his/her designee shall ascertain whether the alleged breach of conduct is one that occurred inadvertently. If so, the breach may be resolved informally with no further action necessary.
2. After discussing with the student, if the dean or his/her designee determines there is a violation the Dean shall advise the student that there has been a breach in the Student Code of Conduct.
3. The Dean and the student may meet and agree to a resolution and resolve the matter without a Disciplinary Review.
4. If there is no mutually agreeable resolution, the matter will be referred to the Code of Conduct Disciplinary Review Board. The Disciplinary Review Board is comprised of five members of the campus community. It is made up of three students and two College employees either from the faculty, administration or staff.
5. Incidents involving Sexual Assault, Domestic Violence or other sensitive matters where a high level of privacy must be maintained, may be comprised of specially trained College employees only. The Dean will inform the student in writing that the matter has been forwarded to the Disciplinary Review Board.

6. At least five (5) business days prior to the Disciplinary Review before the Code of Conduct Disciplinary Review Board, the Chair will notify the student and Disciplinary Review Board members of the date, time and place of Disciplinary Review, and general procedures to be followed. The Dean will advise the student and any witnesses.

7. Proceedings before the Code of Conduct Disciplinary Review Board shall be private and are not intended to be formal legal proceedings. The student may request that one support person be allowed with them in the Disciplinary Review but they shall not participate. A representative from within the College community shall be permitted to advise and assist students. The student may either seek out that representative or request assistance finding that representative at least five (5) business days prior to the Disciplinary Review. The Disciplinary Review shall provide a fair inquiry into the charges, with both parties afforded the opportunity to ask and respond to questions. The decision shall be based on the preponderance of the evidence.

8. After the Disciplinary Review, the Chair shall summarize the proceedings and the outcome in writing along with the Board’s decision and sanction(s) imposed to all parties involved and forward this to the Dean of Student Affairs who will review and officially inform the student. This report will be placed on file in the office of the Dean of Students. Inquiries about the student’s conduct from transfer colleges and employers may include confirmation of a code violation.

9. Within 5 business days of the notification of the sanction, a student may submit a written appeal of the Disciplinary Review Board’s decision to the Dean of Student Affairs. See Appeals section of the Code of Student Conduct for additional information. The decision of the dean is the final appeal.

10. If a student fails to respond to disciplinary correspondence within a specified time frame a decision of responsibility may be made based on the information available. Students will have the opportunity to appeal any such decisions.

**Appeals**

Any student found responsible of a violation and any complaint party in cases of sexual misconduct, violence or other Title IX designated incidents, will have one appeal of the finding and/or sanction.

Students and complaint parties will be given 5 business days, from the date of their decision letter, to submit their appeal. Appeals are to be submitted to the Dean of Student Affairs. Failure to submit an appeal by the appropriate deadline will render the decision final and conclude the process.

**Appeals can be made on the following grounds:**

1. **Unsupported Conclusion:** The decision made is not supported by the facts of the case.
2. **Procedural Error:** The disciplinary process was conducted unfairly and not in conformity with prescribed procedures. The error committed must be determined to have substantially impacted the fairness of the disciplinary process.

3. **Disproportionate Sanction:** The sanction imposed against the student was not appropriate for the offense committed.

4. **New Information:** There is new information available that was not available at the time of the disciplinary process and that is sufficient to alter the original decision.

**Appeal Procedures:**

During the appeal process the Dean of Student Affairs will review the written sanction appeal and may or may not request an in-person meeting. A decision letter will be sent to all necessary parties at the conclusion of the appeal process. The Dean of Student Affairs will do one of the following.

1. Affirm the finding and sanction originally determined.
2. Affirm the finding and modify the sanction if it is found to be clearly disproportionate to the gravity of the violation, precedent for similar offenses, and/or the accused student's prior disciplinary record.
3. Remand the case for a new Disciplinary Review only if the appeal demonstrates an issue that was so substantial it effectively denied the accused student or the complaint party a fair disciplinary process.

**Disciplinary Files and Records Retention**

The State of New Jersey’s Records Retention Policy requires that disciplinary records be kept for a specific length of time after the conclusion of the case. Records may be kept for a minimum of one year up to an indefinite period, depending on the characteristics of the case. Disciplinary records may only be reported to third parties in accordance with college regulations and are subject to the Family Educational Rights and Privacy Act of 1974.

FIRE ALARM, EVACUATE THE BUILDING IMMEDIATELY.” Fire doors throughout the campus will automatically close. Contact Campus Safety at 908-231-8800 and provide your location (building, floor and room number).
  • IF UNABLE to contact Campus Safety, call 9-1-1.
• Once assembled at an evacuation assembly area, await further instructions
  • DO NOT re-enter any buildings unless instructed to do so by Campus Security Officers or College Evacuation Marshals.
• Keep roads and fire lanes clear for emergency responders

You Discover a Fire

• Contact Campus Safety at 908-231-8800, or by picking up a red emergency phone located in building hallways, or activating an emergency call box located in campus parking lots.
  • Specify the area, location and size of the fire.
• Warn others to evacuate, and if possible, assist others.
