

ARTICULATION AGREEMENT

Between

THE PENNSYLVANIA ACADEMY of the FINE ARTS

And

RARITAN VALLEY COMMUNITY COLLEGE

Scope of the Agreement

The Pennsylvania Academy of the Fine Arts (PAFA) is pleased to partner with Raritan Valley Community College (RVCC) in this Articulation Agreement to ease the transition of fine arts transfer students from RVCC to the Academy. The current agreement will expire three (3) years from the signing date so that curriculum and other updates can be made in an orderly and planned fashion.

Requirements/Conditions for Transferring to PAFA

- RVCC students may transfer into the BFA program only. This agreement does not provide transfer into the PAFA/Penn BFA program unless a student certifies that they understand that any liberal arts credits, apart from studio art, will not count toward the Penn degree.
- Only students of the Associate in Fine Arts degree will be considered for transfer admission. Credit granted by RVCC for CLEP, AP, IB, or college courses taken while in high school will be accepted by PAFA.
- International students are eligible for transfer provided that they meet the TOEFL or IELTS requirements for all students transferring to PAFA.
- A maximum of 63 fine arts and/or liberal arts courses can be transferred to the PAFA program listed above.
- A grade of "C" or better is required in each course.
- The PAFA application fee is waived. All other application requirements must be fulfilled.
- Students transferring from RVCC are automatically eligible for the Community Connection scholarship. Students must attend PAFA full-time to receive this scholarship. The scholarship is renewable each semester until degree requirements are complete as long as the student maintains a 3.0 GPA and is enrolled full time.
- Students will be considered automatically for additional merit aid beyond the Community Connection scholarship, based on a review of their artistic and academic accomplishments.
- Students must complete the PAFA application by December 1 for Spring transfer and by July 15 for Fall enrollment.

Transferability of Credits

The table attached illustrates the one-to-one correlations between courses at RVCC and at PAFA. It is PAFA's intention to automatically transfer each of the RVCC studio art courses listed in the Addendum, unless the Admissions Committee feels, based on its review of a portfolio, that the necessary skill level was not attained in a given course. In these cases, some course credit will not be transferred, and the student will not be able to skip that course equivalent at PAFA.

In the case of a significant curriculum change at either institution, the current agreement will be reassessed. Should this Agreement be terminated, it is understood that students already accepted to PAFA through the effective date of termination will continue to receive the benefits articulated in the original terms of the Agreement.
