SPEAKERS

Anabela Cerqueira, Student Speaker

A married mother of two young children, Anabela Cerqueira is a native of Portugal who moved to the United States in 2007. Family obligations initially prevented her from attending college. However, uncertain about her English or even her computer skills, Cerqueira enrolled at RVCC in 2017 in the College's brand new Occupational Therapy Assistant program. She even took a leadership role at RVCC, serving as Secretary for the Student Occupational Therapy Assistant Association. Today, she is graduating magna cum laude and is a member of Phi Theta Kappa, the international honor society for two-year colleges. She is planning a career as an Occupational Therapy Assistant, working with geriatric patients.

Beryl Stetson, Faculty Speaker

Professor of Nursing Beryl Stetson, who has been teaching at RVCC for over 24 years, will be retiring from the College in January. A Registered Nurse for 48 years, Beryl Stetson specializes in oncology and maternity nursing. She is certified as a National League for Nursing nurse educator; Oncology Nursing Society chemotherapy and biotherapy nurse; American Nurses Credentialing Center medical/surgical nurse; and Lamaze International childbirth educator and lactation consultant. Stetson has chaired RVCC's Health Science Education Department and has served on several College committees. She received an A.A.S. in Nursing from Kingsborough Community College, a B.S.N. in Nursing from the College of Staten Island, and an M.S.N. in Nursing from S.U.N.Y. Health Science Center, Brooklyn. A strong believer in lifelong education, Stetson is currently completing research for her EdD.

Elliot Stetson, Faculty Speaker

Associate Professor of Nursing Elliot Stetson, who has been teaching at RVCC for 17 years, is retiring from the College in July. The Navy veteran also served as a comptroller for a Manhattan-based company. A Registered Nurse for 34 years, Stetson specializes in critical care, trauma, and medical oncology. He holds certifications in critical care nursing and medical/surgical nursing. Stetson also has been running blood drives at RVCC for more than six years. Stetson received a B.S.N. in Nursing from Adelphi University and an M.S.N. in Nursing from S.U.N.Y. Health Science Center, Brooklyn.

Robert P. Wise, Board of Trustees Speaker

Robert P. Wise has served as Chair of RVCC's Board of Trustees since 2015 and has been a member of the Board since 2004. A resident of Clinton Township, he served as President and Chief Executive Officer of Hunterdon Medical Center before his retirement in 2018. Wise received his undergraduate degree from Boston College and his Masters in Public Health from the University of Pittsburgh.

Greetings

Shaun C. Van Doren, Hunterdon County Freeholder Director
Shanel Robinson, Somerset County Freeholder Director
Tracy DiFrancesco Zaikov, Board of Trustees Vice Chair (Somerset)
Caren Bateman, Board of Trustees Vice Chair (Hunterdon)
Stacey Kimmins, Foundation Board of Directors Chair

Patrice Gouveia Marks, Dean of Liberal Arts, Fine Arts, Business and Public Service
Sarah Imbriglio, Dean of STEM, Health Science Education and Library
Audrey Loera, Dean of Academic Support and Education Partnerships

COMMENCEMENT SPEAKER

Governor Phil Murphy

Governor Phil Murphy, as he says, “grew up in a family that was middle class on a good day,” the youngest of four children with only one parent who graduated high school. His upbringing – where religion, a strong work ethic, education, and civic awareness were pillars of family life – shaped his values, his priorities, and the leader he is today.

Since taking office, Governor Murphy has focused on building a stronger and fairer New Jersey that works for every family. He has signed legislation putting New Jersey on the path to a \$15-an-hour minimum wage, enacted the nation’s strongest equal pay law to combat gender wage discrimination, ensured all workers have access to paid sick days, and expanded the state’s Paid Family Leave provisions.

Governor Murphy has put a new emphasis on restoring the state’s dominance in the innovation economy by reinvesting in workforce development and supporting the growth of innovative and start-up companies.

Under his leadership, New Jersey is also emerging as a leader in combatting climate change through the deployment of offshore-wind energy technologies and banning offshore fossil-fuel exploration and drilling, among other measures to spur growth in the clean and renewable energy sectors.

Governor Murphy has reversed prior years of budget cuts and increased funding for both New Jersey’s top-ranked public schools and NJ TRANSIT. And, he restored state funding for Planned Parenthood and women’s health programs, including family planning services.

He has made New Jersey a national leader in tackling gun violence, and has expanded protections for the state’s immigrant and LGBTQ communities, among others.

Prior to taking office, Governor Murphy had long been deeply engaged in civic life and philanthropic pursuits. He has led and supported charities to lift up troubled teens and domestic abuse survivors. Nationally, he served proudly as New Jersey’s sole representative on the board of the NAACP, the world’s oldest civil rights organization, and as Finance Chair of the Democratic National Committee. The Governor has also led national and state task forces, respectively, on education and public employee pensions and benefits.

In 2009, he answered President Obama’s call to service and, following his confirmation by the United States Senate, became the U.S. Ambassador to the Federal Republic of Germany, where he served until 2013.

Governor Murphy and First Lady Tammy Murphy live in Monmouth County and are the parents of Josh, Emma, Charlie, and Sam.

A proud public-school product, Governor Murphy holds degrees from Harvard University and the Wharton School of Business at the University of Pennsylvania.
