

**ARTICULATION AGREEMENT
BETWEEN**

Raritan Valley Community College

AND

**The Division of Business and Management Science
Felician College**

**Degree Completion Program
Business and Healthcare Administration Majors Options**

OVERVIEW:

This formal program articulation agreement is made and entered into by Felician College, hereinafter referred to as FC, and Raritan Valley Community College, hereinafter referred to as RVCC. By this agreement, RVCC and FC express a shared commitment to increasing opportunities for student access and success in higher education. By clarifying transfer policies and procedures, which assure articulation between programs, the institutions seek to assist students in making a seamless transfer.

PURPOSE:

This agreement provides students who are enrolled in the RVCC associate's degree program the opportunity to complete a Bachelor of Science at Felician College. Any RVCC student who is enrolled in the associate's program is guaranteed that FC will accept designated freshman and sophomore business credit hours, general education credits required for the degree, plus any freshman and sophomore general education hours required by FC beyond the RVCC credits. FC will apply such to the Bachelor of Science degree in a manner consistent with the treatment of native students.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

RVCC students maintaining continuous enrollment under this agreement or matriculating into FC within one year from the last registration date with RVCC will be afforded the same treatment and protection as FC native students enrolled under the FC catalog in effect the year the student officially matriculates from RVCC.

Criteria for acceptance into the Bachelor of Science will be the same for transfer as for native students.

Students seeking admission to FC must have a minimum 2.00 cumulative grade point average (GPA) for all college work attempted.

Admission to some undergraduate programs is competitive. While all students who achieve a 2.00 cumulative GPA in transfer will be fully considered, FC may offer admission to students based on their relative ranking of the college cumulative GPA.

The grade point average used to determine admission to the baccalaureate program will be calculated based upon the academic policies of Felician College. Courses in progress will not be used for calculating GPA.

Students must supply official RVCC transcripts (and those from any other colleges) to FC.

Transcripts will be evaluated by representatives from the Division of Business and Management Science and the Office of Admissions at Felician College.

The Office of Admissions at FC has established application procedures and deadlines. Students should contact the Office of Admissions for details or consult the FC Undergraduate Academic Catalog.

Transfer students from RVCC will have access to financial aid, scholarships, and student services on the same basis as native students. Students will be referred to Felician College's Financial Aid Office for more details.

FC will apply the same academic progress and graduation standards to RVCC transfer students as those applicable to native students.

Section II: Transfer of Credit

A maximum of 78 credit hours may be accepted by FC from RVCC to be applied to the Bachelor of Science degree.

Courses that are developmental (below 100 level courses) are not transferable toward a baccalaureate degree.

Only academic courses with passing letter grades (A, B, C, D) will be accepted toward graduation credit hour requirements. Courses with grades of (F) and (AU) do not count toward graduation credit hours, but are used in computing cumulative GPA.

Students must receive a "C" in Major courses for all Bachelors of Science business degrees.

Students who have earned scores on Advanced Placement (AP) tests offered in high school may be awarded college credit after evaluation of official score reports from the College Entrance Examination Board. Accepted credit will be recorded on a student's transcript in accordance with the FC grade policy. Credit is not granted for an AP score if the student completes a college course equivalent to the AP subject.

Students may earn college credit by examination in the College Level Examination Program (CLEP) in selected subject areas if scores meet the score requirements outlined in Felician College's undergraduate academic catalog. Official scores must be submitted to the Office of Admissions at FC. Credit is not granted for CLEP scores if the student has completed a college course in the subject.

Section III: Program Plan: Courses Accepted from Raritan Valley Community College

Felician College Course Number	Felician College Course Title	Credits	RVCC Course Number(s)	RVCC Course Title(s)	Credits
ENG 101*	Writing the College Essay (Pending results of FC Accuplacer exam)	3	ENGL 111	English 1	3

				Corporate Finance II FIN 330	
18 Credit Hrs.	24 Credit Hrs.	21 Credit Hrs.	18 Credit Hrs.	33 Credit Hrs.	30 Credit Hrs.

NOTE: Students must earn a minimum of 120 credits to obtain their Baccalaureate degrees. The credits posted as required to be taken at Felician College are the minimum. More courses may need to be taken at Raritan Valley Community College or Felician College to fulfill this graduation requirement.

At least one half of the courses in the major must be taken at Felician College. At least one half of the courses in the major must be at the 300 or 400 level.

TERMS OF AGREEMENT:

This agreement is made and entered into in the academic year 2010-2011 and remains in force unless changed in writing by mutual agreement of both parties. The agreement may be amended at any time with the approval of both parties and is subject to regular review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of two years will be required.

SIGNATURES:

RVCC College and Felician College hereby enter into this program articulation agreement leading from the American Degree Transfer Program to the Bachelor of Science by the affixing of signatures of the appropriate chief executive officers and/or academic officers of both institutions.
