Articulation Agreement Between Raritan Valley Community College and Fisher College

1. Fisher College assures the acceptance of Raritan Valley Community College (RVCC) graduates or transfer students who have earned a grade point average of 2.0 or higher.
2. Transfer students will receive academic credit for all courses completed at RVCC that were applied toward their associates degree or certificate, if they enroll in the aligned Fisher College bachelor's degree (see Exhibit A). Up to 90 credits can be accepted.
3. Raritan Valley Community College will assure the curriculum as identified in Exhibit A is taught according to the published description and by a properly credentialed faculty member (master's degree required, doctorate degree preferred) including both academic and professional credentials.
4. Non-credit or remedial courses below college level may not be accepted for transfer.
5. If a student does not have the foundation or skill to enroll in an upper level course because they have not taken introductory courses or achieved the required grade, the student will be required to take the necessary prerequisite(s). Therefore, Fisher College cannot assure every student the completion of requirements for the bachelor degree in a specific number of terms or semesters. However, students with the aligned associate degree from RVCC would be able to finish in two years if they follow the prescribed curriculum and course load and complete all classes satisfactorily.
6. The Fisher College catalog contains all information about the degree requirements. Students wishing to plan their bachelor degree program to ensure meeting prerequisites for upper level courses are encouraged to communicate early with an admissions counselor at Fisher College to secure specific information about their transfer credits.
7. This agreement will be reviewed every three years and may be revised by mutual agreement.
8. Both Fisher College and Raritan Valley Community College agree to the right to use each other's names in print materials and media advertising. All materials must be approved by the respective communications and/or marketing offices at the partner college.
9. This agreement is expected to continue in force indefinitely but may be terminated by either party with not less than one year's notice.

FISHER COLLEGE

Office of Admissions

Dear Paul,

We at Fisher College truly appreciate our partnership with **Raritan Valley Community College**. Articulation agreements like the one we share with your school are instrumental in our mission to provide a life-changing experience for students.

At Fisher, students enjoy the benefits of career-focused programs, experienced faculty, and a vibrant campus where personal support is available to all students. We're also committed to making college affordable by awarding more than \$11 million in scholarships each year.

Plus, due to our ideal location in the heart of Boston's Bay Back neighborhood, real-world learning can be found around every corner. Just minutes from campus are countless internship opportunities at corporations, startups, sports teams, government agencies, and more. The City of Champions is not just our home, but also our extended campus.

Such advantages are why Fisher is receiving national attention. For example, *The U.S. News & World Report* once again ranked Fisher a top Regional College in the North for quality and value.

Thank you again. We look forward to partnering with **Raritan Valley Community College** for years to come.

Sincerely,

Thomas Englehardt 09'
Director of Admissions
