Palm Springs boasts some of California's best golf! The 36-hole Indian Wells Golf Resort is the only facility in California with two courses ranked in the Top 20 "Best Courses You Can Play" by Golfweek Magazine. Clive Clark's par-72 Celebrity Course features spectacular mountain views, undulating fairways, and flowing water, and offers an unmatched golf experience from start to finish that will have players returning again and again. The John Fought-designed Players Course features a classic American design complete with sculpted bunkers in a style reminiscent of Riviera, Winged Foot and the brilliant golf courses created by Dr. Alistair Mackenzie near Melbourne, Australia. Most of the holes are oriented to take full advantage of jaw-dropping views of the San Jacinto, Santa Rosa and San Bernardino mountain ranges, and majestic Eisenhower Mountain stands sentinel to the south. SilverRock Resort's Arnold Palmer Classic Course, a former home course of the Bob Hope Classic 2008-2011, is a challenging 7,578 yards, sprawling over 200 acres with massive native bunkers and stunning water features set against the backdrop and natural beauty of the Santa Rosa Mountains.
