C. Governance Committee
Trustee Paul Hirsch reported on the Campus Safety Report for the period April 13, 2020 to May 25, 2020. The report was provided to full Board of Trustees via SharePoint in advance of the meeting.

The President’s Annual Evaluation survey will be emailed to the Board of Trustees on June 6 with a deadline of June 11 to complete. The President’s self-evaluation will be attached in the email. Trustee Margaret Windrem graciously agreed to oversee the evaluation process once again.

The Governance Subcommittee members (Paul Hirsch, Thomas Boon, Andrew McNally, Juan Torres, Margaret Windrem, and Robert Wise) will review proposals received for College legal counsel and make a recommendation to the full Board of Trustees at their June 30, 2020 Regular meeting.

IV. Old/New Business
President McDonough and his leadership team were commended for their handling of the College's unprecedented challenges of the COVID-19 pandemic affecting the RVCC community. It was noted that during the COVID-19 virus, Trustees receive not only a weekly message, but a daily report about news that may affect the lives of students and staff. President McDonough expressed his appreciation to the Board of Trustees for their continued support and to the College community for all of their work and commitment to our students.

VI. Public Questions/Comments
Chairman Wise read the following statement into record:

“The Board will take any comments from the public at this time. The Board will not respond to comments made and speakers are limited to two minutes. The total time allotment for public comments will be no more than 40 minutes.”

Megan Dempsey, Instructional Services Librarian and chair of the Open Educational Resources Steering Committee, shared news about great work being done at RVCC to make education more equitable and attainable for our students. For several years, Megan has been working with many groups on campus to increase awareness of open educational resources, which are free instructional materials that can be downloaded, edited and shared. These resources, including full textbooks, are openly licensed which eliminates both cost and copyright restrictions on how the materials are used. This initiative saves students hundreds of dollars each semester. Since the summer of 2018, RVCC students have saved more than $780,000 in textbook costs by taking courses using open educational resources. Michael Marion of the RVCC Foundation, and before him Ronnie Weyl, have been instrumental in this program by securing donations to fund this program. Megan indicated she is confident that by the end of 2020, the College will save students over a million dollars in textbook costs.

VII Adjournment
There being no further business to bring before the Board, the Regular Meeting adjourned at 5:30 p.m.

Respectfully submitted,
Sheri Lang Pontarollo
Manager, Executive Office and
Secretary to the RVCC Board of Trustees
