2. **Chairman’s Report**
   Chairman Robert Wise welcomed back the Board of Trustees and entire College community and wished everyone a great fall semester.

   Chairman Wise indicated that several of the committees met earlier in the day and that discussions focused on important issues that focused on fiscal challenges and the national trend of declining enrollment.

   The Chairman congratulated Trustee Felecia Nace on behalf of the President and Board of Trustees on her new book released over the summer titled “Top-Down Confusion: Is Gray the New Pink in Education?”
President’s Report
President McDonough announced sad news that our long-time colleague Professor Chris Koep passed away on August 14, 2018. The President commented that Chris began teaching as a member of RVCC’s Visual and Performing Arts faculty in fall, 1988. He had received his MFA from the Pratt Institute, studying under the influential American abstract expressionist George McNeil. During his tenure at RVCC, Chris was invited to numerous artist residencies, including the MacDowell Colony and Yaddo Colony. Chris’s colleagues describe him as a passionate and dedicated teacher, and remember him as a compassionate and caring mentor and friend. His presence, his art, and his light will be missed in the rooms and hallways of the Arts Building. The President, members of the Board of Trustees, and members of the College community in attendance at the meeting then shared a moment of silence in memory of Chris.

The President’s full written report, which highlights several achievements, is provided below.

Congratulations to Professor Dennis Russo for his continuing work with student actors from the Matheny School. For the third consecutive summer, Dennis’s theatre class and production will feature RVCC and Matheny actors. This year, Dennis will showcase his own one-act play Personal Care Assistant. Please go to www.mycentraljersey.com/story/entertainment/theatre/2018/08/12/matheny-rvcc-personal-care-assistant/834127002/ to learn more about this inspiring and innovative collaboration.

Nice to see RVCC’s own Amie Gallagher interviewed for a nj.com article concerning the Perseid Meteor Shower.

Professor Lori Austin has authored a chapter in the soon-to-be-published Mathematics Pathways: Case Studies, Scans of the Field and recommendations. Lori’s chapter is titled “Why Placement Bases on Algebra Doesn’t Add Up,” and explores how relying on a single placement score to assess student ability may lead to unnecessary remedial coursework.

RVCC’s Authentic Engineering Experience strikes gain. Students Anthony Sibaja, Alec Mulder, and Alec Zarzor created “green” and sustainable firefly simulators out of bamboo sticks and introduced them to the public at the annual Firefly Festival at Duke Farms. Just one more example of the meaningful learning experiences that RVCC offers to students.

Go to www.pageturnpro.com/NJBIZ/86140-Vanguard-Series-Leaders-in-Higher-Education/index.html#1 to read a well-deserved feature on RVCC’s Director of Prison Program Sheila Meiman. Sheila is a passionate and dynamic leader, and we are a better and more inclusive institution because of her intentional leadership and because of her effective advocacy.

RVCC has signed new transfer agreements with Thomas Edison State University and La Salle University. The agreement with Thomas Edison allows eligible RVCC nursing students to enroll in Thomas Edison’s RN-BSN or RN-BSN/MSN degree programs and transfer up to 90 credits toward their undergraduate degree at the university. They also may earn 12 credits toward their master's degree at Thomas Edison at the undergraduate tuition rate.

The agreement with La Salle provides a variety of scholarships for RVCC graduates, including merit scholarships ranging from $4,000-$11,000. It also offers a seamless transfer of credits for RVCC graduates who pursue a bachelor's degree at the Philadelphia-based university.

Admission and Recruitment Events and Programs
Admissions Information Sessions & Campus Tours – This ongoing initiative continues to be popular and well attended. Prospective students and guests attend Admissions Information Sessions & Campus Tours on most Friday mornings and one Thursday evening each month. This is a collaboration with the Workforce Training Center, Athletics, and Rutgers during the event to showcase more of the College and transfer opportunities

Adult Information Sessions – This ongoing initiative is a collaboration with the Workforce Training Center to
provide prospective adult students with the opportunity to visit the campus and learn about RVCC. This collaboration also includes our University Partners.

Instant Decision Days (IDD) – This summer RVCC offered prospective students three Instant Decision Days (6/27/18, 7/24/18 and 8/14/18). This convenient, express enrollment service makes the college application process seamless. In addition, the application fee was waived. This was a collaborative initiative, which included Student Services, the Testing Center, Career & Transfer Services, the Library, and the Tutoring Center. The IDD’s were well-received and we received great feedback from parents and students that this event made the enrollment process easy and seamless.

Call Campaigns – This summer we had a team student workers reaching out to new and current students. This peer-to-peer initiative was well-received and the students enjoyed talking with current students about RVCC, their next steps in the enrollment process and all the opportunities to get involved in Student Leadership and other activities.

This past year, RVCC piloted a deer damage management program on campus, which was successful and without incident. The Environmental Sustainability Committee’s deer management program will continue again this coming year from September 8, 2018 through February 16, 2019. The overpopulation of white-tailed deer on the RVCC campus and in the surrounding area led to numerous motor vehicle/deer collisions on adjacent roadways and significant damage to local plant life. The intent is to keep the population of deer on campus in check through a managed bow hunt. A letter notifying the neighbors has been sent and Sustainability Coordinator Sue Dorward will notify the campus community.
The Foundation reported that the 15th Annual Golf Classic fundraiser goal of $169,719 exceeded their fundraising goal. The net total for the event will be reported once received. Thank you to all the volunteers for their role in making the event a tremendous success. We are enormously grateful and inspired by your personal commitment to help RVCC students and the community we serve.

The nominating subcommittee will then review the current list of officers and announce at a Regular Board meeting instructions on nominations. The 2019 slate of officers will be recommended by the Subcommittee and voted on by the full Board of Trustees at the annual Reorganization meeting.

As required by the State of New Jersey, the Committee also reviewed the Campus Safety Report for the periods June 18, 2018 through July 31, 2018 and August 1, 2018 through August 19, 2018.

The Committee reviewed and discussed six sub-areas of security focused on Communication (Mass Notification and Training), Security Cameras, Door Locking, Campus ID’s, and Mental Health & Behavior, and Campus Public Safety, which will be discussed on a monthly basis by the President and the Committee, and with the full Board regularly. The Committee will also receive a report on the College’s cyber security.

A Board of Trustees Educational Retreat is scheduled for Tuesday, October 30, 2018. Topics will include campus safety and student housing.

The Committee received an enrollment and litigation update.

The Committee reviewed and approved proposed revisions to the Bylaws and distributed a First Reading to the full Board of Trustees. A Second Reading and a resolution to approve the proposed changes will be on the September Board of Trustees agenda for the Board’s consideration.

Details of the 50th Anniversary Gala, scheduled for October 25, 2018, were shared with the Committee. An announcement was made asking Trustees for their full participation and support.
