Prerequisite: DANC-218 Jazz Dance IV or Permission of Instructor

Jazz Dance V is the final technique course in the jazz technique series and focuses on the advanced technical skills and performance capabilities needed to succeed in the dance world. Particular emphasis will be placed on physiology and conditioning methodology for dance. Pick-up skills, performance skills, and styles will also be developed through more complex center-floor combinations. Students will be required

to provide appropriate dance attire and shoes. This course may be taken multiple times, but only once for credit.

III. Statement of Course Need

- A. This course addresses the needs of the serious dance student, as well as the needs of life long learners who are interested in furthering their own abilities in jazz dance. Since many RVCC dance majors place out of the basic Jazz Dance I class, this class serves as their fourth semester of Jazz Dance. It is a standard course in many baccalaureate dance curricula. There are also many dance majors that are enrolled in the program for over two years. Repeating this course allowed these students to continue working on their technique.
